## BGS and CSS new partnership

*Our focus: Aspiration, Care and Excellence*

Following extensive research and discussion with parents, the time is right for a fresh approach to sixth form education in Yate and Chipping Sodbury.

A new partnership between Brimsham Green School and Chipping Sodbury School will deliver the best of what has gone before and take learning to the next level.

This exciting development offers fantastic opportunities for students locally and the chance to learn in the best surroundings to achieve their potential.

From September 2010 the new partnership will deliver sixth form teaching, and current students in Year 10 will be able to consider the courses available over the coming months.

A prospectus will be published in September 2009 with a sixth form open evening on 15th October 2009.

- Taking the best from the past to secure even better student outcomes.
- Improving the already good facilities – refurbishment of the sixth form block, new sports facilities, high quality ICT.
- High quality information support and guidance to secure the best possible exam results for all our students.
- Extensive opportunities beyond the formal curriculum – residential visits, theatre travel, sport, public speaking.
- Local neighbourhood Sixth form
- Popular subjects taught at student's own school.
- Less travel

*Year 10 students aspiring to the sixth form.*
